LICENSE PLATE INITIATIVES

Increasing revenues to the Veteran's Trust Fund (VTF) is one of the major goals of the department's 10-year VTF solvency plan. The statutory language below would deposit the additional fees for veteran license plates in the VTF. It also authorizes the creation of a new license plate honoring veterans for persons who desire to show their support for veterans. The additional fees from those license plates would be deposited in the VTF as well.

1. The following language would authorize the transfer of the entire additional fee received by the department of transportation for the issuance of special veterans' license plates to the veterans trust fund. The additional fee assessed for those plates is currently \$15.

341.14 (6r) (b) 2. of the statutes is amended to read:

341.14 (6r) (b) 2. An additional fee of \$15 shall be charged for the issuance or reissuance of the plates for special groups specified under par. (f). The department shall deposit in the veterans trust fund under s. 25.36 all fees collected under this subdivision for the issuance or reissuance of a plate for a special group specified under par. (f) 1. to 32., 49., 49m., 51. and 56. To the extent permitted under ch. 71, the fee collected under this subdivision for the issuance or reissuance of a special plate under par. (f) 1. To 32., 49., 49m., 51., and 56. is deductible as a charitable contribution for purposes of taxes under ch. 71.

2. The following language creates a new license plate honoring veterans, with the additional fee collected for the plate being transferred to the veterans trust fund under the prior amendment.

341.14 (6r) (f) 56. of the statutes is created to read:

341.14 (6r) (f) 56. Persons interested in supporting veterans.

The bill also requires DOT to deposit all of the additional fees collected for specialized registration plates that are related to veterans or the armed forces into the veterans' trust fund.
